Asterick - definition of Asterick by The Free Dictionary

An asterisk is a star-shaped symbol (*) primarily used to call attention to a footnote, indicate an omission, point to disclaimers (which often appear in advertisements), and dress up company logos. An asterisk is also often placed in front of constructions that are ungrammatical.

Definition and Examples of Asterisks (*)

The asterisk is the little star symbol above the "8" key on your keyboard. The word comes from a Greek word meaning "little star." (1) In the past, asterisks were used to show the omission of a letter or a passage in time, but that role has largely been taken over by the ellipsis. It's also

commonly mispronounced.
