This includes referring a client onto another Healthcare practitioner or field of healthcare when necessary.

IBA Global Healing | Bodytalk

BodyTalk System is a holistic therapy that utilizes non-invasive tapping techniques to help individuals achieve great body-mind well-being.

BodyTalk System - Therapy

One of the core philosophies of the BodyTalk System is that all disease found in the body is reflected in the brain at some level. As an example, if there is a neurological connection in the brain that is disconnected, then there will be a corresponding reflection in the bodymind complex in the form of a physical, mental, bio-chemical or other malfunction.

BodyTalk is a natural health-care system, which is designed to work with, and support, your bodies' own natural ability to repair and restore itself. A BodyTalk session is designed to re-establish and re-connect the lines of communication which enable the bodies' internal mechanisms to function at optimal level.

bodytalksystem.co.za - South African BodyTalk Association

The basic premise of BodyTalk takes up one page. It's 5 bullet points. The treatment principles are 4 bullet points. The book contains many client stories. Very little content is devoted to actually teaching you how to do BodyTalk. Of the few treatment sequences addressed in the book, I could only follow one using the instructions included.
