Revive Revival is the genetic twin of Anew Returner. Though Anew and Revive come from the same genetic sequence, he is almost entirely the opposite of his twin, being at the same time angered by opponents who mock him (Cherudims' weak state fighting against him) and has high expectations of others entrusted by Ribbons (expecting a perfect performance by Halevy despite her being an inexperienced pilot).

3. When Revival Happens Related Media. ... In fact, when you look at some of the battles the church is fighting, much of it is over leadership. There is a battle about whether homosexuals can be in leadership; there is a battle over gender in leadership. Why is that? It is because the enemy is always attacking the leadership of the church.
