The Pentair 520545 EasyTouch automation system is able to control up to 8 functions on a pool and spa. It includes the IC40 IntelliChlor salt chlorinator cell that can easily plug right into the control panel, as the IntelliChlor transformer is contained inside. Two valve actuators are also included.

### **Pentair 520545 EasyTouch 8 Automation Control**

It is unreliable at ranges beyond 20 feet. Might as well hardwired the remote in. For me it is useless and I too wish I had a say in the selection early in my pool construction. Shame on you Pentair for allowing this into your product line before its time. I would not purchase this and recommend finding another solution.
