### Rethinking The Economics Of Land

Looking at the ways in which discussions of land have been routinely excluded from both housing policy and economic theory, Rethinking the Economics of Land and Housing argues that in order to tackle these increasingly pressing issues a major re-thinking by both politicians and economists is required. This is the first comprehensive guide to the role of land in the economy, making this an essential reference for students, scholars, policymakers, activists, and NGOs working on land issues.

Looking at the ways in which discussions of land have been routinely excluded from both housing policy and economic theory, Rethinking the Economics of Land and Housing argues that in order to tackle these increasingly pressing issues a major re-thinking by both politicians and economists is required. This is the first comprehensive guide to the role of land in the economy, making this an essential reference for students, scholars, policymakers, activists, and NGOs working on land issues.

### Rethinking the Economics of Land and Housing, Ryan-Collins ...

In Rethinking the Economics of Land and Housing, Josh Ryan-Collins, Toby Lloyd and Laurie Macfarlane challenge these apparently comforting simplicities. In doing so, the authors cover a great deal of ground, including the political philosophy of land ownership, the failure of mainstream economics to deal adequately with the land question, the contemporary financialisation of land and housing and its impacts on inequality.

### Book Review: Rethinking the Economics of Land and Housing ...

Rethinking the Economics of Land and Housing Book. Living in a house is a basic need, like eating. However, like food, housing has never been included in the core of welfare state. provision Moreover, it has been relatively marginalized in the social science debate and in economic theory.
