Western European collaboration with the Germans is still misunderstood, nearly 70 years after the end of World War II. On the one hand, the countries involved have usually played down the number of volunteers they provided, while on the other, German propaganda often overstated the participation of foreigners, especially in the Waffen-SS.

Please note, I do not add new books to my website until I actually have them in stock, as too many times in the past there have been the so called check's in the mail issues with problems from release dates to shipping and so on. Many of the new titles you see around I will carry and when I do have the book in stock they will be posted immediately.
