### The Phobia List

I started this list in the late 1980's and put it on the web in 1995. It's since been adopted and adapted onto many pages since then. Please don't ask me about curing phobias because I know little about them. My interest is in the names only. All the phobia names on this list have been found in some reference book.

### The Phobia List

The American Psychiatric Association identifies three different categories of phobias: social phobias, agoraphobia, and specific phobias. When people talk about having a phobia of a specific object such as snakes, spiders or needles, they are referring to a specific phobia.
